

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery which are known in the business as durable and strong machinery which satisfies all the needs of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind version of floor scrubber along with the Clarke Company who is now also owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to supply warranty service, equipment and components for these scrubbers that carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of many facility supervisors where efficiency and results matter. Recently, this particular floor scrubber model has been utilized by the architects in various construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on location due to the model's supreme performance level and excellent quality for polishing concrete.
